TO: Elected and Appointed Grand Officers; Past Grand Officers; Division Commanders; Officers and Members of the Constituent Commanderies of the Grand Commandery of Knights Templar of Pennsylvania:

Permanent Fund Trustee Opening

S.K. Henry L. Leshar has announced he will not be running for re-election as Trustee of the Grand Commandery Permanent Fund, and will be stepping down effective at the 165th Conclave in May. Grand Commandery sincerely thanks S.K. Leshar for his service as Trustee, and wishes him well in his future Masonic and personal activities.

While any S.K. in good standing as of the 165th Conclave is eligible to run for Trustee, and there are no established criteria, the preferred candidate will have a history of Masonic involvement in general, and Templar involvement in specific, and have a background in financial matters, money management, or institutional investing.

Sir Knights interested in running for the position of Permanent Fund Trustee should submit a brief resume listing both Masonic and financial experience, to Grand Commander Ray K. Sheaffer at the address shown above.

While Chapeaus can be thrown into the election ring as late as the 165th Conclave, we request resumes be submitted not later than May 1, 2018.

(As of February 15, 2018, one candidate has announced his intention to run).

This announcement is to be read in entirety at the March and April 2018 Conclaves, and entered into the permanent records.
(Constituent Commanderies not meeting in March and/or April excepted.)

By Order of:

Ray K. Sheaffer
Grand Commander

Attest:

Douglas M. Rowe
Grand Recorder
