TO: All Elected Grand Officers, Past Grand Commanders, Division Commanders, Proposed Division Commanders, Past Division Commanders

Greetings Sir Knights,

You and your Ladies are cordially invited to attend the Division Commanders Seminar & Past Division Commander's Association meeting at the Patton Campus on Friday the 28th and Saturday the 29th of January, 2022 followed by a Worship Service and Breakfast on Sunday the 30th of January, 2022.

Dress for attendees at the SEMINAR on Friday evening and Saturday is casual. Presenters will be in UNIFORM less sword, chapeau and gloves. Dress for the Past Division Commander's Association banquet is UNIFORM less sword, chapeau and gloves. All attendees are asked to bring your Chapeau, Sword and Gloves, since they will be needed for the Drill and Tactics Session.

Following Breakfast on Saturday morning, there will be a Ladies' Program presented by Lady Pauline M Smith at which time she will present on her charity plans for the upcoming Templar Year.

All current and incoming Division Commanders are required to attend this seminar as it is here where you will be informed of the plans for the coming Templar year, the status of the Inspection program and your expected participation & input.

Participation of Past Division Commanders is encouraged, since it is you who will mentor the incoming Division Commanders. With your direction and experience they will be much better prepared for a smooth transition of responsibility.

Recent actions of the Grand Encampment have created strong emotions, in some instances pitting Sir Knight against Sir Knight. We ALL need to be on the same page. We MUST put any & all differences aside and present a united front to the Sir Knights under our Fraternal Care. Otherwise we have failed them. This we cannot do.

Yours in Templary,
Harry Jude Smith
Harry Jude Smith, DGC
