Fraternal Greetings,

My Theme this year is to Serve and I have chosen Tunnel to Towers Foundation to assist on that mission. This organization is logistically and managerially structured to help untold thousands of those in need. Those in need are our veterans, first responders, law enforcement and their families, the survivors of those who have served and have given their all to this country. Over 94% of every dollar donated goes directly to this effort. I can think of no other organization that better deserves our efforts to partner with to advance this goal and to SERVE those who sacrificed for our county. I trust you will agree and join me in this worthy effort to serve.

**Tunnel to Towers Mission**

Tunnel to Towers is committed to practicing sound fiscal management, organizational efficiency and program integrity. The Foundation keeps fundraising and administrative costs to a minimum, with only a small percentage of funds allocated to overhead expenses. For more information visit <https://t2t.org/>
