

Leave a *Legacy*

Since February 12, 1923, when Templar Chapter was instituted in Pittsburgh, the Order of DeMolay in Pennsylvania has been offering its members an exciting opportunity to grow and develop into young men of service. Young men who are recognized as leaders, and who can be relied on in every field of life and endeavor.

The teachings of the Order of DeMolay have been invaluable to the generations who have been recognized as leaders in their homes, churches, work places, and communities for 100 years. In order to ensure and to celebrate the past and future of this organization—one that offers an experience that no other youth group provides—we are asking for your financial support.

This "Once in a Lifetime Opportunity" is an invitation to give back for those who have benefitted from the teachings of DeMolay, as well as, an opportunity for those who recognize the importance of this organization in today's world to show their support.

Your gift will embrace these principles while providing the financial support for a brighter future as the Centennial of Pennsylvania DeMolay is celebrated across the Commonwealth and we begin our second century of service and success.

Thank You for your consideration of this invitation.
